Qualification

Qualification to Club Cup Championships

Qualification to the Club Cup Championships should be based on one or more objective, predetermined criteria. It is for the regions to determine their qualifying criteria and the TC would suggest an execution score of 28.0 for two exercises at one of the qualifying events.

There are no nationally prescribed qualification criteria and this is to allow regions appropriate flexibility to meet their needs. These technical requirements may also be used for Club competitions.

Qualification to Regional Challenge Cup Championships & Inter-Regional Challenge Cup Final

- Regional events should take place between September and March, with the Regional Challenge Cup Championships held, and the regional team selected, by the end of March 2024
- Regions have the responsibility and autonomy to determine the selection process within the Regional Challenge Cup Series and Regional Challenge Cup Championships and this should be communicated to all clubs by the Region
- A maximum of two gymnasts per category from each region will qualify to the Inter-Regional Challenge Cup Final
- Places will be allocated in rank order from the Regional Challenge Cup Championships
- In the event of a tied position the tie break rule will apply (see below)
- All Regions must submit the list of the gymnasts that have qualified to British Gymnastics

For Regions that intend to hold any qualifying events between October and December 2023, the gymnast should enter the age group that they will be eligible for in 2024.

Level 4 – Subject to capacity, the third ranked gymnast from each region may be invited to attend following the closing date. All regions will be notified following the closing date and entries for the 3rd gymnast can be made via the entry portal.

TIE BREAKS

In case of a tie at any place, the ranking will be determined by the following criteria:

1. The gymnast with the highest sum of T-Score of both exercises
2. The gymnast with the highest sum of the H-Scores of both exercises
3. The gymnast with the highest D Score of the Second exercise
4. The gymnast with the highest sum of all E scores of both exercises

If there is still a tie, the tie will not be broken.

At all British Gymnastics events, a nominated panel (Member of TC, Chair of Panel and 1 x national or pathway coach) reserves the right but not the responsibility, to end a performance (during training, warm-up or competition) that is deemed to be unsafe at any time. If a gymnast is deemed unsafe or falls unacceptably below the standards required, a Member of the panel will approach the personal coach to discuss the matter to reinforce standards and, where appropriate, this will be followed up in writing.

Please refer to the National Competition Handbook for further event information.

If there are any amendments to the FIG Code of Points the TC reserves the right to amend these Technical Requirements.
